

Due to the current pandemic, we are unable to organise an Intake Day at which you can size your child for their new uniform. We have produced this guide to help you order the correct size. If you do not have a tape measure, please contact the school reception.

Once you have measured your child, simply visit the website listed below to place your order. There is free delivery on all orders over £50.

Chest

Place the tape close up to the arms, measure around the chest at the fullest

Waist

Measure around the natural waistline

If you do order the wrong size, please do not worry. You can either send the uniform back to us for an exchange or call into our showroom on a THURSDAY between 10am - 4pm. Either way, please ensure you provide a copy of your invoice.
